Born of 100% steel (and a good bit of bravado), the Model ICB648PROG is a true masterpiece of preservation. Its glass door, sculpted metal, dual refrigeration with three evaporators and advanced controls marry performance and design in a bold new way for home refrigeration. So it not only keeps foods magnificently fresh, it brings the whole kitchen tastefully up to date. Model ICB648PROG can be built-in or used in a free-standing application.

### Features
- Stainless steel construction inside and out with stainless finish and glass refrigerator door
- Dual refrigeration system
- Electronic digital controls with exterior temperature display
- Advanced interior lighting with channeled sidewall LEDs that can serve as a night light
- Cantilevered shelves are adjustable and spill-proof
- Slide-out stainless steel bins fit neatly under any shelf
- Touch-and-glide crisper drawer has a glass lid and generous humidity
- Adjustable, removable and interchangeable drawer dividers
- Auto-close advanced hinge system
- Door alarm
- Automatic ice maker with water filtration system
- Meets strict Department of Energy requirements
